French Alp Event Venue

Wedding

Imagine a one-of-a-kind wedding where every moment feels magical, set against the breathtaking backdrop of snow-covered peaks and peaceful mountain scenery. In our chalet, tucked away in the heart of this enchanting landscape, your love story unfolds in a celebration that will stay with you and your guests forever. Here, each instant is filled with genuine emotion and lasting memories.

THE TIMELESS CHARM OF AN ALPINE FARMHOUSE AT THE HEART OF YOUR WEDDING

Welcome to the Gîte du Passant, where wedding dreams come to life and each moment turns into a treasured memory. Perched at 1,300 meters in the heart of the Aravis, our venue offers a magical setting that blends the chic authenticity of alpine traditions with a warm, inviting atmosphere.

Thoughtfully renovated, our interiors harmoniously combine mountain elegance with the comforting feel of a home away from home.

Choosing the Gîte du Passant means embracing more than just a venue – it's an invitation to experience something truly meaningful on the most beautiful day of your life, shared with those who matter most.

MORE THAN 140 YEARS OF LOCAL HISTORY

Le Gîte du Passant was built in 1887

The chalet was, in the past the main home for the local Depoisier family.

On the lower floor, cows and the residents shared the space, with the former farmers settled on the sunniest side of the slope

The Gîte du Passant was first purchased in 1973 by Victoire and her husband, a French-German couple in love with the region, who opened it as a place of rest and hospitality for passing travelers.

Claire and Théo bought the gîte in 2011 and, during the COVID period, spent two years reimagining the 800 m² chalet while preserving its original spirit.

Their dream was to renovate the barn while keeping its stunning, nearly 150-year-old timber frame intact.

To give the impression that time had stood still – or nearly so... In July 2023, they entrusted their dream to Pierre and Marceau, two school friends who now hold the reins of this gem nestled in the heart of the Haute-Savoie alpine pastures.

Today, the Gîte du Passant has hosted over **350 weddings** over the past 10 years, and its reputation means the calendar fills up quickly.

You are the most welcome guest in our place !

After meeting at hospitality school, we refined our skills abroad, serving a discerning, private clientele with a taste for authentic and refined experiences.

In 2022, we fell in love with this chalet tucked away in a discreetly charming mountain village, right in the heart of our native Haute Savoie Region. The peaceful atmosphere, alpine farms, local artisans, and familiar landscapes instantly inspired us. This was where our project truly made sense.

Our ambition? To offer a refined yet genuine escape, where every detail matters without ever going over the top.

A warm, human-sized place where guests are welcomed with simplicity, but always with great care.

We are committed to preserving the chalet's soul while infusing it with our passion for service and our love for generous, inventive, local cuisine.
